

## Region 4 Icebreaker Instructions

### Getting into the game lobby:

- Click on the link that is pasted into the chat to be taken to the skribbl.io website.
- Enter your name where prompted and use the arrows to customize your avatar.
- When you're ready, press the play button and you will be taken to the game lobby.

### Guessing the drawing:

- On the right side of your screen, there should be white box with a place to enter text at the bottom.
- To guess what is being drawn, enter your guess into the text box and press enter.
- Wrong answers will show up as text visible to the whole lobby, and right answers will show the message "(name) guessed the word!"
- You may guess as many times as you like within the time limit.
- The first person to guess the word gets the most points.

### Drawing a word:

- When it is your turn to draw a word, you will have three word choices.
- Click on the one you want to draw.
- You can draw anywhere in the middle box by clicking, holding, and dragging.
- You can change colors and brush sizes using the menu on the bottom of the middle box.
- The round ends either when everyone guesses the word or time runs out.
