FCCLA Urban Affiliation Program

Family, Career and Community Leaders of America is a nonprofit national career and technical student organization for young men and women in Family and Consumer Sciences education in public and private school through grade 12. Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life -- planning, goal setting, problem solving, decision making, and interpersonal communication -- necessary in the home and workplace. FCCLA seeks to involve students in urban areas in the organization and provide these students with the Ultimate Leadership Experience.

Eligibility: An urban school district located within the corporate limits of a city with a core population of 100,000 or more can enroll all of its students currently or previously enrolled in a Family and Consumer Sciences Education class. New urban affiliations must be approved by state adviser and national FCCLA before proceeding with urban affiliation.

National Affiliation Fee: $4,500 (Equivalent to 500 members at $9 each)

State Affiliation Fee: Varies by state

Benefits:

- Cost effective for urban school districts
- All students are eligible to participate in national programs, and attend the National Leadership Conference, National Fall Conference, and Capitol Leadership
- The district receives 500 copies of the mailed Teen Times to divide and distribute to participating schools
- FCCLA advisers receive access to exclusive professional development opportunities and resources
