SECTION I. CALIFORNIA FCCLA INFORMATION

A. NAME OF THE CALIFORNIA ASSOCIATION AND TAGLINE

In 2016, the California State Officers and an overwhelming majority of the voting delegates voted to change the name of the State Association to California Family, Career and Community Leaders of America (FCCLA). The Chartered State Association and the affiliated regions shall use this name. Certified local chapters in California shall have the option to use either California FCCLA or FCCLA. The practice of using acronyms is consistent with all of the other California career technical student organizations: FFA, FCCLA, FBLA, DECA, HOSA, and SkillsUSA.

Consistent use of the name will reinforce the established identity, as well as provide a positive, consistent image for the Association. The use of this name is also consistent with the name of the discipline, Family and Consumer Sciences (FCS) Education as identified at the California Department of Education.

The tagline is FCCLA – The Ultimate Leadership Experience.

2. **Chapter Affiliation – Completed on the National FCCLA Affiliation System!**

California FCCLA Chapter Affiliation is now completed online utilizing the FCCLA affiliation system. To begin the online affiliation process, chapter advisors must login to the system on the Internet at: [https://affiliation.registermychapter.com/fccla#](https://affiliation.registermychapter.com/fccla#). The FCCLA affiliation system opened August 1, 2020 for the current school year. Please use the step-by-step instructions and video tutorial which can be found at this link: [http://fcclainc.org/membership/join-fccla.php](http://fcclainc.org/membership/join-fccla.php)

Chapter rosters are used to verify the eligibility of students: 1) to participate in STAR Events; 2) to attend state and national conferences; 3) to be candidates and hold office at region, state, and national levels; and 4) to apply for FCCLA scholarships, degrees, and other awards. Therefore, it is important that the names of ALL affiliated students be properly submitted through the online system. **Be sure that all names are listed and spelled correctly.**

2
The FCCLA online affiliation system consists of three elements that must be fully and correctly completed and submitted for the chapter’s affiliation and leadership packet order to be processed. They are:

a. Chapter Affiliation and Event Participant Form - must be submitted with the chapter’s FIRST affiliation submission of the school year ONLY to the FCCLA Financial Services Office (FSO). It is not required for second and subsequent affiliation submissions. **Deadline to submit form is September 18, 2020 if your chapter is applying for Membership Incentive grant funds. For all other chapters, this form must be submitted prior to participation in any FCCLA events or the chapter will be subject to higher registration fees.**

b. Chapter Roster - names and member information must be submitted electronically through the FCCLA online system.

c. Invoice and Payment - determined by your method of payment.
   i. If payment is being rendered entirely by Credit Card - submission must be done online.
   ii. If payment is being rendered by P.O. via school check - mail invoice with the check to:

   FCCLA  
   1910 Association Drive  
   Reston, VA 20191-1584

It is always recommended that chapters keep all hard copies for their records.

9. FCCLA Membership Incentive Grant Funds

California FCCLA received $80,000 in Membership Growth Incentive grant funds to award to chapters for the 2020–2021 school year. Applications were provided to chapters at the annual virtual State Leadership Conference and posted to the state FCCLA website. The deadline to submit the application was August 21, 2020. For a complete list of schools that received funds, please refer to the state FCCLA website.

Membership Incentive grant funds are expected to be reduced each year. FCCLA chapters are strongly encouraged to continue to fundraise to sustain their program and activities in future years.
10. Perkins Funding for FCCLA

CTSO chapters that are integral to instruction are permitted to use the Carl D. Perkins Career and Technical Education Improvement Act of 2006 funds. Secondary school Vocational Education Directors and Administrators have been advised that use of federal funds must follow the established guidelines for CTSOs, including: 1) funds may only be expended in instructional programs identified for improvement in the application/plan for Perkins IV funds; 2) the CTSOs must be an integral part of the instructional program; and 3) all expenditures must be for the purpose of improving and expanding career-technical education instruction and meet the guidelines for the use of funds.

FCS students receiving standards-based, Perkins-funded instruction must be provided FCCLA leadership, career, and citizenship knowledge and skills as part of the curriculum to meet the criteria as “integral” to instruction. Since all students receive this instruction, FCCLA membership numbers should be similar to program enrollment numbers.
