**State Project Goals**

Stand Up: Stand Up is a new national program that focuses on encouraging members to find a purpose that they are passionate about so they can make a positive impact in their community. This national program focuses on three essential steps: assess, educate, and advocate. While following these steps, members can discover a goal where they can make a meaningful difference, educate others on its importance, and create a change in their community.

Power of One: Power of One is a national program that helps students find their personal power and learn how to use it. Through this program, members can set their own goals, work to achieve them, and enjoy their results.

Student Body: Student Body is a national program that allows members to learn how to make the right choices for their physical and mental health while also getting the opportunity to educate others about it. This national program provides students and members with the tools to build their healthy bodies as they learn to develop healthy habits that will last them a lifetime.

**State Theme and Leadership + Membership Goals**

This year, our California state theme is "Leadership Beyond Measure." Our goal is to be able to encourage members to further develop their leadership skills so that they can lead beyond measure throughout their FCCLA journey!

This year, our leadership goal is to be able to have each chapter nominate at least one member for Region Office! This goal will be able to allow a widespread amount of leadership from all over California!

In terms of our membership goal, we want to increase the number of chapters in each region by 25%! This will allow more students to become exposed to the FCCLA organization, giving students the opportunity to become members and learn how to lead beyond measure!
Region 2 Officer Team

Brandon Kerns
Region 2 President

Zoey Miller
Region 2 Vice President

Jesse Gonzalez
Region 2 Secretary

Zander Shutt
Region 2 Treasurer

Courtney Epten
Region 2 Historian & Reporter

Region 4 Officer Team

Braxton Anderson

Amanda Smith
Region 6 STAR Chairperson

Jennifer Montanez
Region 7 STAR Chairperson

Christina Martin
Region 9 STAR Chairperson

Alyssa Fite
Region 8 STAR Chairperson

Jennifer Beier + Mynastra Pruitt
Region 10 STAR Chairperson
Year in Review

Although this year was an unprecedented one, the California FCCLA Organization still managed to grow both in numbers and in strength. In the years of 2020 and 2021, the California FCCLA Organization was able to exceed records and reach an all-time high membership of 11,302 members, 111 chapters, and 166 advisors. In addition, with all Region and State Meetings needing to remain on virtual platforms, California FCCLA had their first ever virtual statewide Fall Meeting. At this meeting, attendance exceeded 500 participants. Although Spring Meetings also remained virtual, all regions were able to meet their newly elected Region Officer Teams! In terms of the State Leadership Conference, California FCCLA decided to hold a two-day conference on the National FCCLA Conference platform. Regardless of the circumstances California has been under this year, the organization was able to flourish even further through new ideas, more members, and greater leadership!
