

REGION 10

FCCLA

REGION 10

*President
Samantha Madwell*

Samantha attends Centennial High School and is a Sophomore. Sam has been in FCCLA for 3 years. She has played lacrosse for one year and she really likes how competitive it is. If she isn't with FCCLA or playing sports she will be with her friends going on adventures and having fun. Samantha joined FCCLA because of the competitions and wants to become a leader.

*Vice President
Genevieve Milkie*

Genevieve is a Sophomore at Hillcrest High School. Eve has been in water polo for the past three years and enjoys swimming. She has her own sewing business and helps her community by making over 100 masks that have been donated. Eve has been a part of FCCLA for four years. She joined FCCLA for the scholarship opportunities and all the competitions it has to offer.

Treasurer
Emiliano Acosta

Emiliano a Senior at Centennial High School. He has been a football player at his school for 2 years as well as part of red cross for 2 years. Emiliano joined FCCLA because he wanted to have fun and join an amazing program that is part of his school like FCCLA.

Historian
Alejandra Roman

Alejandra is a senior at Carter High School. She has volunteered at her old elementary school with a program called Think Together with the first and second graders for the past four years, is also a part of Link Crew and National Honors Society for the past year, Avid going on four years. Alejandra has been in FCCLA for three years now. She competed in an FCCLA STAR Event for Focus On Children. Alejandra joined FCCLA because everyone is always so united, all the competitions that there is, and to make new friends.

Reporter & Secretary
Alexa Andrade

Alexa is a Junior at Hillcrest High school. She has played softball for the past 11 years. Some hobbies she has are watching sports and Broadway shows. Alexa is also part of a Community Service club. She has been in FCCLA for the past four years. What made her want to join FCCLA is because she loves competitions and it gave her an opportunity to make new friends.

COLT

Our Region Treasurer here was telling our chapter officers about our national programs and how important they are.

The region Secretary started to take rollcall to make sure how many of our wonderful chapter officers attended COLT.

We had a wonderful scavenger hunt for those officers and advisors that finished their breakout rooms. While the other officers went into their breakout rooms.

ROLC

One of the state officers were leading us through one of the workshops. They lead us through an activities that they had for us.

This is the proper way to write an email and how it should be composed. They showed us a effective way to really communicate with people.

We all got to participate in an activity to see how effectively it is that we are able to communicate.

Fall Meeting

Here we started to make announcements of major events we were holding such as COLT! Also sending chapters into breakout rooms to discuss plans.

We gave a special thanks to Bevin for helping us put on such a wonderful event. We reminded all the chapters to have their officers attend COLT. Also, we thanked everyone for taking time out of their day to attend our fall meeting.

Spring Meeting

The candidate speeches from all of the students in the association that were running for office for the year of 2021-2022 were being played. Our vice president had asked them two questions each.

We called for each chapter to take count and see how many people were in attendance for each chapter. As well for how many chapters in our region attended.

Secretary

Carter High School

The Carter FCCLA chapter has helped their community by bringing joy into people's life through these difficult times which they might not be able to see family members. They made all these cards for one convalescent home and are working towards taking on another one. They have also have been working on assembling hygiene kits for students in need.

Mira Mesa High School

In partnership with Mira Mesa Christ Community Church our Region 10 Mira Mesa High School FCCLA collected close to a hundred plus blankets, socks, sleeping bags, sweatshirts and coats for the homeless. Christ Community Church then distributes them directly to the homeless community downtown San Diego. This is our 2nd successful blanket drive.
