Region 2
This is Our Story! What's Yours?
Region 2 chapters

2019

2020
Kathy Polderwaart
She became an FCCLA advisor because she wanted to start an FCCLA chapter at her high school and provide her students with leadership opportunities.

Emily Silva
President
FCCLA is like a second home and family to her. She not only wants to share her knowledge to inspire individuals to join and be apart of this amazing experience, but also to make friends that will last a lifetime.
Isabelle Vallejo  
Vice President  
She is delighted to serve as Region 2 Vice President. Being involved in this organization is more than just a hobby or pastime but it is a second family to her and a very important opportunity that Isabelle is honored to have.

Zoey Miller  
Secretary  
She was the Vice President of her school’s chapter. Some interesting facts about her are that she is an identical mirror twin, her favorite TV show is FRIENDS, she loves dogs and enjoys being outside and camping.
Giselle Amador
Treasurer
Giselle is the Region 2 Treasurer, and her school's ASB treasurer. She enjoys being involved with many school activities.
Giselle is in CSF, GATE, Chicano club, Ana Dea, and of course, FCLC. She is also the spirit leader of her High School cheer team, and enjoys performing.

Shivani Taras
Reporter
Shivani is a junior at her current school. She is a caring and kind individual, and is super pumped to be a region officer this year. Shivani is a member of her school's color guard team, is part of the link crew at her school, and volunteers every weekend at her local library.
Riley Miller
Head exiting
She is an identical twin and she loves to
tread and long jump in track. In her free
time, she hangs out with friends, loves to go
camping and spend the day on the boat.

Region 2 2019-2020 Officer
ROTC

The Region officers who were elected in the spring all gathered in late July for an informational meeting and team building leadership experience. Our state officers helped train the region officers on how to complete a successful year and fulfilling their job responsibilities. There were workshops and meetings which included learning about parliamentary procedure and preparing and planning for the busy year ahead!
**Fall Meeting**

Fall Region Meeting was held at Las Molinos High School where our members learned about FCCLA through presentations and workshops they had attended. There was a financial literacy workshop presented by our state Vice President, a STAR events workshop and a FACS workshop. Members learned the region cheer, and participated in many mixers. Fall meeting was so much fun!
Capital leadership

Capital leadership was held in the amazing Washington D.C. At capital leadership many FCCLA members and their advisors had the opportunity to tour the United States Capitol and meet with legislators advocating for Family and Consumer Science Education.
Spring Meeting

Spring Meeting was hosted by the Orland High School Chapter. Our members were able to compete in STAR events and learn more about the upcoming state leadership conference. The members all did an extraordinary job with their competitions. The members who didn’t compete attended a workshop where they learned how to use parliamentary procedure.
What a great year with Region 2
