LETTER FROM THE OFFICERS

To all of the wonderful members of Region 1 FCCLA,

We wanted to start this scrapbook thanking you for the great opportunity you have afforded us. We are so grateful that you have chosen us to be the officers to the newly reinstated Region 1. We have learned so much about leadership, friendship, and general selflessness as well as sustain us through our lives. We are able to bond as friends at FCCLA, and through the efforts of many wonderful people there, were made capable of overseeing the Region activities back at home. We tested our skills for the very first time at our Fall meeting (which was graciously hosted by Pioneer Valley High School), and only grew more confident in each other's abilities as time went on.

At our recent Spring Meeting, we welcomed new a new chapter from Oxnard to the fold of our organization, and were delighted to see our little region begin to grow. We were so glad to, with the help of Laguna Middle School, host the many talented students of our Region and watch them compete in their events. It was at this meeting we announced our 2020-2021 Region 1 officers, Guillermo Rodarte, Tylie Zandeal, Rafael Apodaca, Rubi Perez, Emily Schorn, and Jackie Bautista. We wish you all the best of luck in your endeavors as Region officers this coming academic year. We are also very excited to share that our very own Vice President, Victoria Amaya, is planning to campaign for a place in the California State 2020-2021 officer team. In the pursuit of that most lofty ambition, we wish her all the luck in the world, for we know she has already the enthusiasm and skill required for such a task.

We owe the greatest breadth and depth of gratitude however, to our most selfless advisor, Lisa Washburn. She has not only acted as the advisor to our officer team, but also as the advisor and devoted teacher to many of the FCCLA students of San Luis Obispo High School. Without her, our year as officers would not have gone half as well as it did. She is quite frankly one of the truest and most sincere people we know. For all of your time devoted and for you seemingly endless patience with us, thank you, from the depths of our hearts.

Most Truly,
- Naoua Raha, Victoria Amaya, Alexa Samano, Alessandra Rizzo, and Deldah Vayra
The Region Officer Training Conference was so much fun to attend. We listened in on workshops and met other region officers from around California, as well as the state officer team. We had a chance to hone in our leadership and public speaking skills in preparation for eventually running our own meetings.
2019-2020 Chapter 7 Officer Team

Region 7 President: Kauai Hoaka, preferably known as Kauai (if you’re not sure how to pronounce that, it’s something like kau-ay). She’s a senior at Saint Luis Olaf Kap High School. Her Hawaiian heritage has influenced her to dance hula for 14 years. She loves telling people about how funy she is once they can’t figure that out on their own.

Region 7 Vice President: Victoria Ayouko, a senior at Saint Luis Olaf Kap High School. Her dream university is Portland State University.

Region 7 Secretary: Ailsa Jammala is a Junior at Saint Maria High School. She loves meeting new people and discovering new things. Her computer skills are improving as well as her communication skills. Earning a master’s degree at Allan Hancock College is one of her goals. She would then like to continue her studies in business at Cal Poly.

Region 7 Treasurer: Deleth Nagyra is Region 7’s youngest officer. She attends Laguna Middle School as an eighth grader and is super excited for the year! She loves dogs, fashion, and art. She however dislikes the color dark green and homework.

Region 7 Advisor: Ms. Aikau is a dedicated and patient advisor. She is a true mentor with her great sense of humor, ensuring dedication to PEOLA, fantastic team in style, and her easy air of sophistication.

We had a great year as your officer team!

2020-2021 Region 7 Officer Team

We wish all six of you the best of luck with your new responsibility as a region officer in the coming year. We know you will do brilliantly and hope you will all become as good of friends as we have over the past year. You will grow in ways you never thought imaginable as a person, and accomplish what you may now imagine overwhelming. You will make leaps and bounds as leaders and public speakers and we couldn’t be more happy for you.

All the best to you our dear friends.

-Kawai, Vistoria, Alexa, Delilah, Alessandra
We are so grateful to Ms. Montenes and Ms. Diaz from Pioneer Valley High School for allowing us to use their school for our Fall Meeting. We had loads of games and workshops all day. We're so glad this meeting allowed us to get to know members from all of the chapters within our new Region 7!
2020 Spring Meeting

We always love it when FCCLA alumni come to our events! Thank you so much for your support!

Thanks to all of our dedicated competitors, our 2020 Spring meeting was phenomenal! We were so impressed with all the skills we saw being showcased, from fashion construction, to a themed culinary arts event. We hope more people get involved next year in our competitive events. Thank you to everyone who competed, to those who are planning the state-level competition, good luck!
