The Region Officers kicked off ROTC with the Opening General Session which consisted of ice breakers and theme presentations. Once checked in to dorms, we headed over to the Student Center for Bowling and Billiards. We then concluded the night with Team Building Activities.

The Region Officers started their early morning by taking their headshots for the California FCCLA official website. The day continued with workshops, including Parliamentary Procedure (conducted by the Chowchilla High School FFA Chapter), STAR Events, Financial Literacy, and Etiquette Training. Region Officers also were able to conduct ice breakers in between sessions. Finally, the day was concluded with a dinner at the CSU Fresno Alumni House as well as more team building activities.
July 24–27

Region Officer Training Conference

Thursday
July 26

What an action packed day! The morning began with the EDGE Obstacle Course which consisted of rock climbing, bungee jumping, and team building activities. Fresno State then gave the officers a walking tour to explore the campus, which included meeting farm animals and eating some delicious ice cream! The region officers returned to general sessions for more ice breakers and workshops. Finally, they cooled down in the pool and ended the night with the movie *A Wrinkle In Time.*

Friday
July 27

The final day of ROTC consisted of Stacey Tisdale from Teens In The Drivers Seat speaking about roadside safety. Afterwards, the Region Officers all had to say their farewells and head back home. The Region Officers really had one for the books at ROTC.

It's Affiliation Time!

Calling all Chapters! It's time to affiliate your school for FCCLA! Having a little trouble promoting this wonderful organization to your school? Here's some of our members showing off their red and white pride at their school's Club Faire!

Pictured: Members from Region 10 showing off their trophies at Club Rush

Pictured: Members from Region 5 representing their red and white pride!

We love seeing FCCLA chapters promote themselves on social media! Here are a few of our favorites from chapter accounts.
