## 2018-2019 Team Building Activity: Bucket Creed Toss Setup, Overview, Materials, Instructions, Clean up

### Setup

- Set up time: 5-10 min
- Groups of 8
- 15-20 minutes to achieve outcome
- Large outdoor/indoor space is needed

### Overview

Team members must work together to collect pieces of the creed by tossing tennis balls into a bucket to retrieve pieces of the creed and piece the creed together in the correct order.

### Materials

- Bucket
- Piece of fabric
- Tennis balls : 7
- Laminated pieces of paper with parts of the creed printed on it : enough for each of the 7 teams to be able to put together a full creed
- Prizes : candy, small toys, etc.

### Instructions

- Split people into even teams.
- Have parts of the creed (laminated) laid out around a bucket.
- All the teams will be spread out (in groups) around the bucket forming a circle.
- one person from each team will run to a piece of the creed with a tennis ball.
- They will stand on the piece they need and attempt to toss the ball into the bucket .
- If they make it they can take the piece of the creed they were standing on if they miss they take their ball back to their team and the next person goes.
- The first team to have all of their creed pieces in the right order wins.

### Clean Up

1. Collect all creed pieces and bucket

### Additional Notes

- Everyone on the team must go before a person goes again.
- If a person makes their ball in the bucket but starts to go get their ball before retrieving their creed piece another individual may steal it by stepping on it before the person who threw the ball picks the piece of the creed up.
