Mission
To promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner, and community leader, members develop skills for life through:
- Character development
- Creative and critical thinking
- Interpersonal communication
- Practical knowledge
- Career preparation

FCCLA Membership
FCCLA has a national membership of approximately 200,000 young men and women in 6,500 chapters. There are 50 state associations including the District of Columbia, Puerto Rico, and the Virgin Islands. Since its founding in 1945, FCCLA has involved more than ten million youth. Former members are eligible to participate through Alumni and Associates.

Leaders of Tomorrow
The leadership journey for chapter, region, state, and national officers involves traveling, meeting new people, developing goals and making them a reality, and planning and conducting meetings. Outcomes include networking, improved communication and decision-making skills, financial literacy, and team building.

About FCCLA
80% of members feel FCCLA has improved their teamwork skills.

Purposes
1. To provide opportunities for personal development and preparation for adult life.
2. To strengthen the function of the family as a basic unit of society.
3. To encourage democracy through cooperative action in the home and community.
4. To encourage individual and group involvement in helping achieve global cooperation and harmony.
5. To promote greater understanding between youth and adults.
6. To provide opportunities for making decisions and for assuming responsibilities.
7. To prepare for the multiple roles of men and women in today’s society.
8. To promote Family and Consumer Sciences and related occupations.

Family and Consumer Sciences Career Technical Education
Industry Sectors:
- Education, Child Development, and Family Services
- Fashion and Interior Design
- Hospitality, Tourism, and Recreation

What is FCCLA?
FCCLA is the career technical student organization for students previously or currently enrolled in Family and Consumer Sciences (FCS) education programs. The intra-curricular organization offers members the opportunity to expand their leadership potential and develop skills for life--planning, goal setting, problem solving, decision making, and interpersonal communication--necessary in the home and workplace.
