COTC- Chapter Officer Training Conference

WRITTEN BY TYLER CHEN REGION 5 REPORTER

COTC, or Chapter Officer Training Conference, took place this year at Santa Clara High School, Saturday September 21, 2019. Officers started the day out at COTC by playing team bonding activities such as Card Stacking, Stealing Home, and Heads Up.

Officers then split up into the officer position group they were selected as. Here in these groups Chapter officers learned the duties and responsibilities of their position.

After the Officer position workshops, Officers went into an Icebreaker Team, Name Slogan, Design, focusing on this years theme "Your Story". The Region 5 officers then introduce the Region cheer based off "Head, Shoulders, Knees and Toes". Finally officers played Ticking Time bomb a bonding activity. Sadly that's where the journey of COTC ended. Hopefully what Chapters Officers took from this experience is more knowledge of their positions and strong bonds with other chapters.
