

let's play a game.

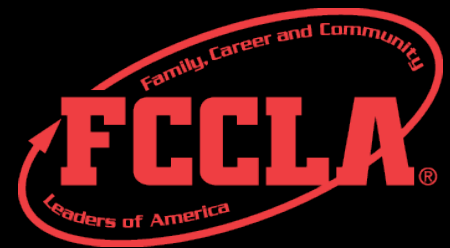

What is this cheese ??

This program provides FCCLA members the opportunity to earn degrees and recognition at the chapter, region, and state levels. As FCCLA members participate in chapter, community, region, and state activities, they can develop leadership skills and make a plan to achieve an FCCLA Golden State Degree at all levels.

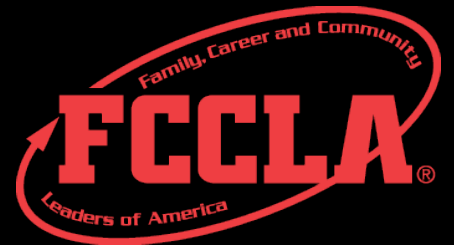

No Way !! It's that easy ??

- Yessss !!
- You're halfway there !!
- Just a little more time and you'll be that much closer !!
- The more you do the more you're recognized !!
- The higher the degree the bigger the reward !!

What's the point ??

- To get recognized by your fellow members
- To be rewarded for your hard work
- To help others out with community service
- To be more involved in your community
- To be more involved with FCCLA

Do it today !!

- You get a Certificate with a pin and recognitions from your region and state
- When you receive your chapter degree you are recognized in front of your whole region with a certificate and a bronze pin
- When you receive your region degree you are recognized in front of the whole state while hundreds of people scream your name while you receive a certificate and silver pin
- When you receive your state degree you are given the same as when awarded your region degree but instead you receive a gold pin and have twice as much of the recognition

Now take it back to your region !!

- At fall meeting, encourage your members to fill out applications and get their chapter awards
- It's not that difficult, and now you know that we've walked you through it you know what to do with your region
- If you need applications they are on the website or contact any of the state officers.
